How about up front first and then an acronym list at the end of the report? I will call you in a few minutes. Thanks, Verneta

Verneta:

Good point - it should be up front where it was before I moved things around - it is defined in the first line of "SEGMENT A" on page 4 and again in first line of "SEGMENT G" on page 5

Is that sufficient ? No problem if you want me to make a change.

U.S. EPA has one comment --- Would it be possible to include a definition for NOO? Thanks, Verneta
